## ABOUT THE FESTIVAL

Facing the haunting outline of the majestic Wicklow Mountains, Ireland's Fair City holds true to a 1,000-year Celtic heritage that inspires her music and artistry to this day. The 7<sup>th</sup>-annual Dublin Choral Festival will celebrate this great heritage of Celtic musical inspiration.

The festival will take place June 17 - 21, 2026, and will feature mixed-voice choirs and individual singers from a variety of backgrounds joining together to sing en masse. Three days of rehearsals will lead participants to a grand finale performance in the historic, stunning, and iconic St. Patrick's Cathedral. Founded in 1191, St. Patrick's Cathedral is also known as the National Cathedral and Collegiate Church of St. Patrick and is the largest church in Ireland.

The festival chorus will perform thrilling choral literature under the direction of Marques L. A. Garrett, Associate Professor of Choral Studies at the University of North Texas.

Through our exclusive association with various governmental and tourist offices, MCI is able to help choirs perform in stand-alone concerts as part of the American Celebration of Music in Ireland concert series. The following are examples of possible pre or post-festival tour extensions to consider. Remember that MCI is more than happy to use these itineraries as a starting point to then create a completely customized tour for any choir.
